### THE T.U.S.C PHILOSOPHY...

We are committed to giving every child a chance to learn soccer, develop fundamental skills and then utilize them in game situations. Winning never gets in the way of good sportsmanship and overall soccer development.

### T.U.S.C. REGISTRATION...

T.U.S.C. offers three simple ways to register. Weather on the website, by mail or in person, there is bound to be a way that is convient to you.

### T.U.S.C. WEBSITE...

We strive to make the T.U.S.C. website interactive. Once your child is placed on a team, our website allows you to check their team's page for updates, game schedules and any notes that the coach may meet you to see. You also have email access to our league store, board members emails addresses, T.U.S.C. News and more.

### WHAT T.U.S.C. OFFERS...

The **Outdoor Recreational League** is for children from 4 to 9 years of age. We teach the fundamentals of soccer and give the kids an opportunity to develop in a game situation.

The **Outdoor Competitive league** is designed for those kids who decide they like soccer and want to take their skills to the next level. The T.U.S.C. Teams play locally in the G.A.A.S.A. (Greater Akron Amateur Soccer Association) Teams play within the Akron area. These teams are divided by age and skill level.

The **Indoor Recreational league** is a new venture for T.U.S.C. All our games are played at the Tallmadge Recreational Center. This experience will enable children to keep with their soccer education over the winter, as well as getting them more practical game experience.

**Volunteers** are our glue that holds our league together. We are always looking for volunteers to help out where they can. Weather coaching, assistant coaching, concession stand help or basic field maintenance, we welcome anytime that you care to donate.

**Coaches:** Along with all our volunteers, T.U.S.C. utilizes the experience of many high school coaches. T.U.S.C. Board President, *Larry Buehler* and Board Vice President, *Scott Williams*, are currently the Tallmadge High School Girl's Varsity coaches. *Larry Davis* is the Boy's High School varsity coach and *Seth Anderson* is currently the Girls JV Coach. If soccer is a passion to your child, there experience will develop their skills to be able to transition to the High School game.

**Coaches Clinics** are available for anyone that wants to coach, but may not be ready. All classes are 100% re-reimbursable from T.U.S.C. All coaches within our league are required to participate in at least one licensed class.

**Foot skills** are a crucial part of soccer. T.U.S.C. Foot skill Clinics are available to anyone with the T.U.S.C. program at a reduced cost.

The **Circle City Tournament** is a two day tournament that is sponsored by T.U.S.C. over Memorial Day weekend. All T.U.S.C. teams within the Spring Competitive League are automatically eligible for free. Other club teams from all over Ohio participate in a wide variety of age groups.
